Texas Department of Licensing and Regulation Proposed Amendments to the Electrician Program

Comments Accepted until December 9, 2019

The Texas Department of Licensing and Regulation proposes amendments to the Electricians program rules (16 Texas Administrative Code, Chapter 73, §73.71). The proposed amendments implement House Bill (HB) 1342, 86th Legislature, Regular Session (2019). Section 2 of HB 1342 authorizes the Texas Commission of Licensing and Regulation and the Department’s Executive Director to issue a restricted license to a person as an alternative to denying, revoking, suspending, or refusing to issue a license. Section 2 also authorizes the Department to impose reasonable conditions on a holder of a restricted license.

The proposed rules were published in the November 8, 2019, issue of the Texas Register (44 TexReg 6651). The Department will accept comments on the proposal until December 9, 2019.

The Department encourages anyone interested in the Electricians program to review the rule proposal online. Comments may be submitted by email to erule.comments@tdlr.texas.gov.
